17. Is the house mix position to be enclosed in a lockable desk or is it located on a counter top?

18. Check the type of playback capabilities that are required at the main mix position.

CD _____	DVD _____	Analog Cassette _____
Hard Disk _____	Mini-Disc _____	DAT _____

19. Check the type of record capabilities you require.

CD _____	DVD _____	Analog Cassette _____
ADAT _____	Hard Disk _____	

20. Yes/No - Are you planning to have a separate recording room? If not, skip to question 22.

21. If you do plan to have a separate recording room, do you plan to use a separate mixer or use a feed from the main mixing console? _____

CHURCH AUDIO/VIDEO SYSTEM QUESTIONNAIRE, PAGE 4

22. Yes/No - Are you involved in planning a television or radio broadcast? If not, skip to question 26.
23. Is the broadcast delayed or live? _____
24. Yes/No - Is there a designated space for broadcast audio/video production?
25. Yes/No - Is there a designated space for post-production editing?
26. How many discrete on-stage audio monitor mixes (not actual monitor speakers) are required for your worship service? _____
27. Of the total number of discrete on-stage audio monitor mixes, how many mixes will there be for each of the following musicians?
- Vocal mix(s) _____ Rhythm mix(s) _____
Pulpit area _____ Choir monitoring _____
Orchestra/Wind Ensemble mix(s) _____
28. Of these discrete on-stage audio monitor mixes, how many of the following types of mixes are desired?
- Floor monitor loudspeakers _____ Stand-mounted loudspeakers _____
Headphones _____ Overhead flown loudspeakers _____
Wired In-Ear monitors _____ Wireless In-Ear Monitors _____
29. Please circle the following type of monitor mix control you require.
- Control from main mixing console / Separate monitor mixing console
- Aviom / Hybrid system with some mixes from main mixing console and others Aviom
30. Yes/No - Do you need an intercom between the stage and the mix, recording, backstage, catwalk, lighting, and/or video, etc? If not, skip to question 35.
31. How many intercom stations do you need? _____
32. How many different talk channels do you need? _____
33. Do you need strobes or buzzers? If not, skip to question 35. _____
34. How many strobes and/or buzzers do you need? _____

CHURCH AUDIO/VIDEO SYSTEM QUESTIONNAIRE, PAGE 5

35. Do you have any other areas of the facility you wish to have a feed from the auditorium audio or video system?

	Audio	Volume Control	Video
Nursery (# of rooms)	_____	_____	_____
Cry room	_____	_____	_____
Narthex/foyer	_____	_____	_____
Choir room	_____	_____	_____
Offices (# of rooms)	_____	_____	_____
Hallways	_____	_____	_____
Kitchen	_____	_____	_____
Fellowship Hall	_____	_____	_____
Outside	_____	_____	_____
Hearing Assist System	_____	_____	_____

36. Yes/No - If the Fellowship Hall is to be feed, do you need a separate sound system for it?

37. Yes/No - If choir room is to be feed, do you need a separate sound system for it?

38. In the narthex, do you need full coverage for the space or just sanctuary entrances? _____

Video Questions
